Chapter 1 by Grace1517

Confident

by Demi Lovato

Are you ready?

It's time for me to take it

I'm the boss right now

Not gonna fake it

Not when you go down

'Cause this is my game

And you better come to play

I used to hold my freak back

Now I'm letting go

I make my own choice

[Clean version:] Yeah I run this show

[Explicit version:] Bitch, I run this show

So leave the lights on

No, you can't make me behave

So you say I'm complicated

That I must be outta my mind

But you've had me under

What's wrong with being, what's wrong with being
What's wrong with being confident?
What's wrong with being, what's wrong with being
What's wrong with being confident?

It's time to get the chains out
Is your tongue tied up?
'Cause this is my ground
And I'm dangerous
And you can get off
But it's all about me tonight

So you say I'm complicated
That I must be outta my mind
But you've had me underrated

Chapter 2 by Fanwizard

No Promises

by Shawn Mendes

Staring out my hotel window

Too much on my mind

Maybe we should keep it simple

We don't have to decide

Oh no we don't need to overcomplicate it

Cause I've been here once before don't even say it

Baby please no promises

Cause we won't keep our promises

And I know the consequences

So baby please, baby please no promises

I've never been a fan of heartbreak

So tell me what you want

Take my hands across your body

We don't have to hold on

Oh no we don't need to overcomplicate it

Cause I've been here once before don't even say it

Baby please no promises

Cause we won't keep our promises

And I know the consequences

So baby please, baby please no promises

Cause I've been living only for this moment

And I don't want to let it slip away

I've been living only for this

And I don't know how much that I can take, yeah

Baby please no promises
Cause we won't keep our promises
And I know the consequences
So baby please, baby please no promises
Yeah baby please no promises, yeah
Oh baby please no promises
Baby please
Baby please no promises

Chapter 3 by Fanwizard

It's not that I'm afraid I'm not enough for her
It's not that I can't find the words to say
But when she's with him, she seems happier
And I don't want to take that away

How many times can I see your face?
How many times will you walk away?
I just have to let you know

I'm not tryna start a fire with this flame
But I'm worried that your heart might feel the same
And I have to be honest with you baby
Tell me If I'm wrong, and this is crazy
But I got you this rose
And I need to know
Will you let it die or let it grow?
Die or let it go?

It's not that I don't care about the love you have
It's not that I don't want to see you smile

But there's no way that he can feel the same

Cause when I think of you my mind

Will you let it die or let it grow?

You can tell me stop if you already know
Though I'm not sure my heart can take it
But the look on your face says don't let me go

I'm not tryna start a fire with this flame
But I'm worried that your heart might feel the same
And I have to be honest with you baby

Choke

by OneRepublic

Well I see breakfast on the table
And I can smell you in the air
Lord knows I'd cry if I was able

But that won't get me through tomorrow
And no it's not like I was counting
Or thought that we'd run out of days
So I'll be holding onto something
Breathing the air you took away

I, I'll keep a picture of you on the wall, of you on the wall
And choke on the memories
I'll keep a message of you if you call, of you if you call
And choke on the memories
Choke, choke, yeah
Choke, choke

Well I've been looking for some new worlds
To say just how you got to me
I wrote some letters that I might burn
Cause then you're not just history
Oh and I see your clothes in the closet
I hear your phone ringing in the drawer
I'm not hoping for an answer
I'm just knocking at your door, oh

I keep your picture of you on the wall, of you on the wall
And choke on the memories
I'll keep a message of you if you call, of you if you call
Choke, choke, yeah
Choke, choke, yeah
I'll keep a picture of you on the wall, of you on the wall
And choke on the memories
I'll keep the message of you if you call, of you if you call

Choke, choke, yeah

Choke, choke, yeah
